Notification of Overseas Subsidiary Name Changes

- Promoting unification of the Sumitomo Riko Group brand -

Sumitomo Riko Company Limited (Headquarters: Nakamura-ku, Nagoya-shi; President: Tetsu Matsui) hereby announces the general completion of procedures involved in changing the names of its acquired subsidiaries, German automotive anti-vibration rubber products manufacturer Anvis Group GmbH (Anvis for short, currently SumiRiko AVS Holding Germany GmbH) and Italian automotive hose manufacturer Dytech-Dynamic Fluid Technologies S.p.A. (Dytech for short, currently SumiRiko Italy S.p.A.), carried out from March 29.

By prefixing the names of companies in the Anvis and Dytech Groups with "SumiRiko" to show that they are members of the Sumitomo Riko Group, we aim to bolster the cohesion of the Sumitomo Riko Group with its 106 bases in 23 countries worldwide and unify our corporate image and brand. In doing so, we will further facilitate our Group synergy and actively promote our R&D, production, and sales activities in global markets, particularly sales to overseas automobile manufacturers.

About Us-----

Founded in 1929, Sumitomo Riko is a manufacturing company headquartered in Nagoya-shi, Aichi, Japan. We changed our name from Tokai Rubber Industries, Ltd. in 2014. In the automotive field, we manufacture anti-vibration rubber parts, in which we have a leading global share, as well as rubber and resin hoses and urethane sound controlling/insulation products and interior equipment. We are also applying the technologies we have accumulated in automobile parts development to expand our business in the fields of electronics, infrastructure, and "housing environment and health & nursing". Utilizing our global network of 106 bases in 23 countries, we aim to be a "Global Excellent Manufacturing Company" that provides safety, security and comfort to people worldwide.
